

ReWild Mission Bay: Development of Restoration Plan Alternatives

Addendum #2

Issued: August 17, 2015

Document: Two additional answers to questions posed during the “Request for proposals pre-proposal meeting”, held August 6, 2015 at the San Diego Audubon (SDAS) offices.

Inquiries may be directed to Rebecca Schwartz, ReWild Mission Bay Project Manager, by phone at 858-273-7800 x 101 or email at schwartz@sandiegoaudubon.org.

Pre-Proposal Meeting: Previously unanswered questions.

On August 13, 2015, SDAS issued Addendum #1 for “ReWild Mission Bay: Development of restoration plan alternatives” Request for Proposals (RFP), which provided official questions and answers from the August 6, 2015 pre-proposal meeting. Three questions from that addendum did not include answers (as they were pending confirmation), two of which are answered below. The answer to the third question is still pending confirmation.

Question 18 from Addendum #1:

Q: Should resumes be included in the bid? If so, do they contribute to the 25-page maximum?

- A: Resumes do not count towards the RFP's 25-page maximum and may be included as attachments at a maximum of three pages per resume.

Question 31 from Addendum #1:

Q: Why does the planning boundary stop where it does? How was this decided?

- Answer to be determined pending discussion of the ReWild Mission Bay Wetlands Working Group.

Question 32 from Addendum #1:

Q: Will the list of meeting attendees and their contact information be shared with all other meeting attendees?

- Meeting attendees will be given an opportunity (via email from ReWild Mission Bay project manager Rebecca Schwartz) and a deadline by which to “opt in” to having their information shared with the rest of the attendees.
